To dream! To accomplish! To success...

Step High College Tours offers **group tours** that we can customize just for you. To **narrow your search** use the **“College Tours”** search box in the left column. We’ve designed our online-catalog to make your tour searching easier and efficient. It’s all **About You** and we’re here to help. If you don’t see what you’re looking for, call us, 888-501-3857 we are experts at developing new tours for our customers.

Our **College Tours** are created with forward vision in mind. We provide students an opportunity to immerse themselves into the energy and culture of a college campus. We work with college admissions to create a visit that will inspire, engage, and assist students to reach their goals. Your group can spend time with a college representative, attend an information session, and meet with qualified financial aid specialists.

Step Higher College Tours are proud of our work with **higher education awareness groups**. We are especially proud that many of our groups are repeat clients attesting to our reliability and professionalism. Our tours provide expertly planned custom tour arrangements that include accommodations, transportation, educational sightseeing, knowledgeable guide service, and fun!

Step Higher Tours together strongly adhere to stringent certifications, industry membership guidelines, and insurance protocol. Feel confident that you are working with proven professionals with a stellar reputation in value, quality, and reliability.
